

Dear Valued Clients,

As part of the George R. Brown Convention Center expansion project, the Avenida South Parking Garage will close on May 3, 2026. The new Avenida South Parking Garage is anticipated to reopen on September 1, 2026. During this period, valet parking will continue to be available for your guests. Self-parking will also remain accessible, based on availability, in alternative garages and parking lots in the area.

We anticipate a smooth transition with no disruption to service.

For an even more seamless experience, we also encourage you to consider rideshare options for your guests. We have provided a list of nearby self-parking alternatives, along with recommended parking apps such as [ParkMobile](#) and [SpotHero](#), which display real-time availability and allow guests to reserve parking in advance.
